

True/False Exercise

Quiz

Listen to Mary, Laura, Matin and Amy!

Mary:  
Hi, I'm Mary. I live in Bursa. Usually, there is a lot of traffic in our city. But our school is close to our house, and my brother and I decided to walk to school, because we don't want to pollute the air.

Laura:  
Hello, I'm Laura. My elder sister Ginny shops a lot. She buys something new every day! But she almost never tidies up. Her room is a mess. There are a lot of plastic packages, carton packages, newspapers and magazines on the floor. Her wardrobe is full of old clothes. Yesterday, my mom told her: "You should throw these to recycle bin!" I hope she does.

Martin:  
Hey, my name is Martin. My brother is a bit careless. When he brushes his teeth, he doesn't turn off the tap. He always leaves the lights on at night. I told him a number of times; "You shouldn't waste water!" or. "You should turn off the lights!" But he never listens.

Amy:  
Hello, I am Amy. I have a cat named Mia. I love animals! In our neighborhood, there are a lot of stray cats and dogs. I always tell my friends: "Please don't harm animals!". I think everyone should be kind to animals.

Show questions one by one
